

AFRICAN ACADEMIC DIASPORA VIRTUAL HOMECOMING 2020

August 28, 2020

Dear esteemed Vice Chancellor/ President/ Rector:

Invitation: First Virtual AAU Diasporan Homecoming

I bring you compliments from the Association of African Universities and am pleased to invite you, your key staff and constituents to the first African Universities homecoming for the diaspora. This is slated for the 28-30 September 2020. This event is also to join African countries to celebrate 400 years since our brothers and sisters involuntarily left the shores of Africa into a life of servitude. The AAU recognizes its key role and obligation to effectively help in the integration of our brothers and sisters in the diaspora and tap into their expert knowledge.

The AAU also encourages you to use your networks to reach out to African Academics and the diaspora to participate in this important event.

Please accept my assurances of the highest regard.
